

EVR 1

Ornamental

The EVR 1 1000W “ornamental” environmental luminaire is based on the popular EVR 2. With remote constant wattage control gear this luminaire is a light weight solution, ideal for small diameter poles. The EVR 1 produces the same high performance, efficient illumination as the EVR 2. For a long life, high output solution, talk to us about using the EVR 1 for your next project. Ideal for car parks, tennis courts and car yards.

EVR 1 1000W (ornamental)

SPECIFICATIONS:

Dimensions	675 x 616 x 273 mm
Weight	16kg
Finish	Powdercoated satin black (standard)
Lamp	1000W MH(standard) (HPS & MV available on request)
Lampholder	Porcelain E40 spring-loaded centre contact
